Welcome to First Grade With Ms. Xie and Ms. Wang!

欢迎来到谢老师和王老师的一年级!

2019-2020

Xie 老师

- Hi families! My name is Yuxin Xie and I am your child's 1st grade English teacher this year! I am from Wenzhou, which is a small city in southeast China. I graduated from UT Austin with a major in Youth and Communities studies and a teacher certification program. I traveled to America to study education because I want to be a teacher, who can engage students and bring them joy and interest in learning. My goal as a teacher is to help children love learning, embrace diversity and become critical thinkers. This is my 1st year teaching and I am grateful and excited to be a part of Reilly. Thank you for sharing your child with me!

Wang 老师

- Originally from Nanjing, China where I received my Bachelor's Degree in Bilingual Studies of German & English from Nanjing University, I am a passionate and dedicated trilingual teacher. After being an exchange student in Germany, I went to Teachers College, Columbia University for my Master's degree in the field of Bilingual Education (English and Mandarin Chinese). While learning and exploring the educational environment in NYC, I taught a Mandarin Chinese immersion program at Avenues: The World School for almost 2 years. Now I can bring the beauty of Mandarin Chinese to Reilly this year! I know it's so hard to learn Chinese at first, but my former students were able to learn this new language very quickly, which is why I recommend starting bilingualism and bilaterally at a very young age. Let's speak Chinese together!
