Create a Parent Account

iOS

Parent accounts can be set up with a Parent Code or with an email invitation. Both of these methods to get connected must be started by your child's teacher. **Please note: Email invites may only be used to create a parent account on the web.** Once the account is created, you can access it on both the website and the app

- 1 Download the ClassDojo app from the App Store

2 Click "I'm a parent"

3 Select "Create parent account"

4 Enter your email address and create a login password (must be at least 6 characters long), then tap "Create Account"

5 Enter your first and last name, then tap "Next"

6 Enter your [parent code](#) (between 7 - 9 characters long, starts with a "P") and click tap "Check code"

Please note: If you do not have a parent code to enter, you can request one from your teacher, or click the blue "Find your teacher" button to request approval to connect to your child's class. If your teacher's name or your school is not yet on our list, you can click the blue "Can't find your child's
